APPROVAL OF STATE ENGINEER Imlay, Nevada 89418

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit to change the point of diversion of the waters of Buena Vista Creek (aka Unionville Creek) as heretofore granted under Permit 11086, is issued subject to the terms and conditions imposed in said Permit 11086, and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial headgate and measuring device must be installed and maintained to facilitate the measurement and control of water. The State retains the right to regulate the use of the water herein granted at any and all times. This Permit does not grant the right of ingress or egress or any rights of way to the applicant.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 2.0 cubic feet per second, but not to exceed a yearly duty of 4.0 acre-feet per acre of land irrigated from any and/or all sources.

Actual construction work shall begin on or before.....September 11, 1970

Proof of commencement of work shall be filed before.....October 11, 1970

Work must be prosecuted with reasonable diligence and be completed on or before..... September 11, 1970

Proof of completion of work shall be filed before..... October 11, 1970

Application of water to beneficial use shall be made on or before..... September 11, 1970

Proof of the application of water to beneficial use shall be filed on or before October 11, 1970

Map in support of proof of beneficial use shall be filed on or before.
